**Grand Villa Casino Burnaby, Cascades Casino Langley
& Starlight Casino New Westminster
Welcome Lady Luck**

Burnaby, BC (June 3, 2010) With the growing popularity of casinos as a viable entertainment option, Gateway Casinos & Entertainment has embarked on a new media campaign geared to provide the region an inside look at all the Grand Villa Casino, Burnaby, Starlight Casino, New Westminster and Cascades Casino in Langley has to offer.

The three leading Vancouver properties have engaged Lady Luck as their spokesperson. "I am excited to be associated with these casinos and want to spread the word about the full range of gaming, entertainment, and dining experiences they have to offer" said Lady Luck.

In addition to welcoming Lady Luck to the region, the campaign reflects each casino's own distinctive personality. Each reflecting their location and clientele with bolder and brighter property logos, individual music selections based on the songs of contemporary artists, all incorporated it into a series of new radio and television commercials.

"We believe this new campaign, affords us the unique opportunity to make people aware of all of the entertainment options that our three casino locations have to offer" said Gateway Chief Operating Officer, Darren Harding.

"Our casinos extend well beyond traditional gaming with live entertainment lounges, contemporary and classic restaurants, stylish bars and full service hotels and convention facilities. We really do have it all" he added.

The campaign will also be incorporated into digital advertising, newspaper, radio and a new website to be launched shortly.

Grand Villa Casino

The Grand Villa Casino has an exciting gaming floor, spread over two levels, and is alive with the energy of over 50 gaming tables and 1,000 slot machines. With 100,000 square feet of gaming space, two bars, restaurants and a show lounge, and the 200 room Delta Hotel & Convention Centre combine to make the Grand Villa Casino a preferred destination for an unrivalled entertainment experience.
